Dismantled Porch in Great Condition - Consists of Two Large Side Windows, Two Medium Windows, Front Door and all the Window Sill and Plastics. Large Windows Open. Keys for Windows and Door. I have a few more pictures showing measurements that can sent as was limited to nine pictures on Gumtree.

The total width of the window sills when laid out as in the picture is 252cm Wide and 134cm Deep. Not sure but might be possible to have the porch built longer with short sides for the depth.

The Large Windows are 185cm wide (not including the metal frame that joins the windows together) and 127cm in height.

The Medium Windows are 65cm wide and 127cm in height.

The front door including the frame that its attached to is 91.5cm wide and 202 cm in.
