Due to my pending retirement, I offer for sale my gardening business in the Reigate/Kingswood area. I provide a complete garden service to commercial and domestic clients. Most of my clients have signed up to annual contracts and payments are made monthly in advance. By far, my main revenue stream is from lawn mowing but I also trim hedges. To contracted clients, I offer to jet wash patios and undertake various small remedial jobs. This is a solid business with a 12 month advanced order book for routine garden maintenance and endless opportunities for additional tasks with current clients.
