Hello, turn your unwanted records into cash ; whole collections considered to buy , big storages , whole archives , overstocks , DJ material , entire record shops , high quality records , high value items , vinyl production factories , radio stations , memorabilia , autographs , cinema posters tour posters paper work in general , magazines/journals....etc. etc.
make e-mail with what you are considering to sell , how many items in total , your location and phone number would also be useful(land line and cell) !
