Shield Clinic is specialists in helping people with lower back pain and headaches regain their lives. Too many people have visited us in the past complaining of these conditions to find that their problems are easily helped. Often, people cant stand or their heads are so sure that they just can't concentrate anymore. Sometimes their back is so crippling that painkillers only take the edge off the searing sharp pain. But having seen these conditions literally thousands of times, we can comfortably say that we can help. Our expertise, technology and know how are integral to being able to get and keep people healthy through good chiropractic and osteopathic care.
