Advert Description

We have a beautiful litter of four F2 cockapoo puppies for sale. Two boys and two girls. Their mother is an F1 American cockapoo and father is also an F1 cockapoo, both are PRA clear. Mum is a household family pet and is here for you to meet and pictures pictures of dad can be seen. These puppies have been brought up in a loving family home with our two other cockapoos and are excellent with children. Our babies will be ready to leave us on the 1st of December having being fully vet checked, microchipped and wormed from 4 weeks old as well as having 6 weeks free puppy insurance. They will also leave us with a puppy pack including food and toys which they are used to and a blanket with their mothers scent on it. We are asking for a £100 non-refundable deposit to secure your puppy.

Girls are for sale for £1100

Boys are for sale for £1000
