I offer poker lessons at the highest Level. These lessons are extremely valuable, but I try to follow Buddhist values and so will happily teach you for free (provided you make the best use of my time). I do have a family, and I do need to pay my bills, so donations WILL be much appreciated! I'll provide you with my bank details so that you can pay me at your leisure.

I'll teach you the natural way to think through a poker play. I'm the only person in the world who is able to do this and it is a ridiculously effective training method. After approximately 1 hour with me you should be fully ready to make a living from your poker play. I will also give you a free PDF of my groundbreaking feature length training guide which should help you along the way.

There is no catch. I'm just amazing :D Drop me an email and I'll help you.
