First Utility can help you pay less
 Like most people, you probably worry about how much your gas and electric bill will be each month. Energy prices vary from month to month, from energy supplier to energy supplier and from region to region, so how do you know you're getting the lowest energy price?
 We're battling the baffling range of tariffs offered by other companies. We believe in keeping things simple. That's why First Utility has created simple tariffs which give you the option of selecting the right one for your lifestyle.
