Arizona Aluminium Mountain Bike. 21 speed. 26 inch wheels (Suit: 16 yrs to Adult).

Suit Rider Height approx: 5 foot 6 inch to 5 foot 10 inch.
Suit Rider Height approx: (168 cm to 178 cm)
Suit Rider Age approx: 16 years to Adult.

Condition:
There are a few scuff marks and scratches to the paintwork and graphics. There is just a small amount of rust on some steel parts like screws, and bolts, but nothing too serious to affect the overall performance of the bike.

Servicing:
This bike has been serviced with new brake levers, and new gear and cables fitted. Bike has a chunky oversized tubing frame, giving it a mean look. It has an aluminium frame and crank which will not rust, and I would be surprised if you could find a bike comparable to this cheaper than my selling price here.

My last pic on the advert shows what a bike shop would charge for just a service (without replacing any parts).
