

BATRIBIKE ELECTRIC ADULT TRICYCLE (575 GBP)

Location **Scotland, East Lothian**
<https://www.freeadsz.co.uk/x-560313-z>

Electric Tricycle 2 years 7 months old in excellent condition. It has been fully serviced since new. Basket on front and large capacity basket on rear which will carry 40kg maximum. Three levels of power assistance. Also features a throttle allowing extra power when at junctions and going up hills etc. Has tilting mechanism which allows the trike to ride more like a traditional two wheeled bike however can be ridden on rigid frame as well. Would best suit someone who can ride a two wheeled bike. 20 inch wheels. Battery kit and handbook included. Has datatag security number. Cost £1,350.00 new but will accept less than half price. Very fast and attractive trike.

For more details and to arrange to view and test ride trike please contact.
