3 beautiful Boston terrier boys for sale  
 Ready to leave once had there 1sf injection and micro chip  
 KC registered  
 Hereditary HC clear from mum and dad  
 Kingrock and Wynele in Dads pedigree  
 Nicely marked

The boys have been very well socialised with other dogs, cats and children and normal day to day house hold noises.

Life time of support offered and please no time wasters! Please do your research on the breed before thinking of getting a Boston terrier. They are a little dog with a huge heart! Happy to answer any questions and your more than welcome to come and meet the babies! Also more than welcome to meet mum and dad also. Father to the pups is actively shown and is doing very well in the show ring.

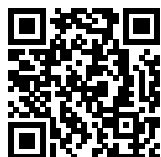

Kindest regards

update we now only have 2 little boys:)
