Delonghi Caffè Corso Black Compact Bean To Cup Coffee Machine.

A bean-to-cup machine where you can customize your coffee as you prefer. With the Caffè Corso you can make all the coffee shop favourites, grinding your choice of fresh bean for the perfect taste. This machine makes one or two cups of coffee at the touch of the button and you can froth your choice of fresh milk manually with the frothing nozzle.

Machine has been regularly cleaned and descaled but obviously shows signs of.
