Pre and Post Wedding Photography idea.

Specialising in more mature photography, i have good experience from Portrait to Undressed, always with a reliable, professional approach.

I offer a home visit service and provide backdrop, lighting and guidance for people who have never modelled before. A 2-3 hour photo shoot will produce around 30 images, all done in the comfortable surroundings of your own home.

I am confident in my work and as such, i offer a FREE photo shoot. You pay nothing in advance and only buy your images if you like the results. No obligation, no catch. So if ever you wanted a portfolio of your own, you now have the opportunity with nothing to lose.

A pre-wedding idea for ladies... Why not amaze your partner with a set of sexy images as a wedding gift ? Perhaps have a sexy photo shoot with your chosen bridesmaids ? After the wedding, why not make the most of your wedding dress and have a photo shoot in different styles and backgrounds, with your dress as the feature ?

Xmas idea.... Why not produce your own calendar as a gift for your partner ? I can create digital calendars for 2018 that work nicely as a desktop background for PC's

Birthday surprise.... Hand your partner a gift of you on a USB hard drive.

Always confidential and professional, i am happy to discuss your ideas.

Costs from £49.95 for a basic set of images, but remember you only buy them if you want a copy of them.

If interested, please reply with some basic details including name, age and location. Hope to hear from
