The property benefits from a new kitchen and living room with double doors opening directly onto outside balcony. Flat is heated throughout. Ideal for professionals who likes to unwind in a pleasant environment. The single room available to rent has been recently decorated. The room itself has a new bed, a large wardrobe (with shelves), chest of drawers and an airing cupboard. There's also a programmable heater.

The flat has a newly fitted bathroom that has a corner shower and under floor heating. Use of TV (including sky) and wifi is also included.

There's a pathway way running through the woods taking you to Pantiles where there's plenty of eating places. From there you will be able to get the High Street where the famous 'The Ivy' has just opened and other shops are situated.
