Barr & Stroud Savannah 12x56 Roof Prism Binocular:  
Do expect Barr & Stroud Savannah 12x56 Roof Prism Binocular to bring you close up to the action where the power of the 12x magnification excels, and still give you razor-sharp contrast rich images under usual daylight circumstances that its 56mm aperture objective lenses will provide.  
For the comfort of the user the Barr & Stroud Savannah 12x56 Binocular is supplied with metal twist up eyecups that are rubber coated which make them equally practical for professionals to use with or without glasses. The quick focus mechanism takes the user from close focus to perpetuity in less than one turn of the focus control knob, which confirms that you can follow the action however rapid it is.
