This is a beautiful solid birch futon sofa bed by The Futon Company including a washable natural canvas cover as well as a washable burgundy 100% cotton handloom cover (originally £119) and 2 bolsters (originally £60), also with burgundy handloom covers.

Very comfy for sitting and for sleeping! Have always had it in our office so hasn't been used much. Only a few cosmetic marks and knocks, just general wear and tear. Tiny rip in the back of the burgundy cover but not viewable at all when set up as a sofa or as a bed. We are very sad to this go but we are redecorating and need the space.
