You're viewing our vintage mid-century Ercol Pebble Nest of Tables featuring an elm top with tapered beech legs. They were designed by Luciano Ercolani for Ercol in 1956 and are one of Ercol's most iconic pieces.

These are in stunning condition with no scratches, water marks or fading. They have been lightly french polished and waxed to bring the grain further out. They have sturdy legs and sit true with no wobble. The Ercol marks are also still present.

These will look great in pretty much any setting.
