

Traditional Antique Pine TV Corner Unit Stand Solid Wood with Storage Drawer (20 G

Location **West Midlands, Warwickshire**
<https://www.freeadsz.co.uk/x-561298-z>

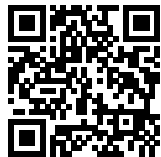

Ideal child proof TV stand corner unit. Draw works fine, no damage. Just benefit from a polish.
Dimensions to follow. Would support any size TV from a weight point of view. A larger 42in+ TV may require it to be placed out from the corner somewhat.
Delivery possible to most areas of Birmingham or Solihull areas for £6
Collection possible from Handsworth Wood, but we are not in there much, so delivery may be more practical. Also would need a hatch back or estate car as it is currently.
