Traditional Antique Pine TV Corner Unit Stand Solid Wood with Storage Drawer (20 G

Location **West Midlands, Warwickshire** https://www.freeadsz.co.uk/x-561298-z

Ideal child proof TV stand corner unit. Draw works fine, no damage. Just benefit from a polish. Dimensions to follow. Would support any size TV from a weight point of view. A larger 42in+ TV may require it to be placed out from the corner somewhat.

Delivery possible to most areas of Birmingham or Solihull areas for £6

Collection possible from Handsworth Wood, but we are not in there much, so delivery may be more practical. Also would need a hatch back or estate car as it is currently.
