This beautiful machine is stunning in black.

I've had this reliable machine for 5 years and apart from having a noisy spin it's fantastic. With a load capacity of 9kg it takes bed linen, duvets, large blankets.

Since owning it's had a new motor last year and it's too big for me and I'm going for a smaller 6-7kg one. It can be seen in situ, working until Monday 27th and then it'll be either garage or shed stored until it finds a new home.
