

# Staysafe Assessors - Health amp Safety

Location **East of England, Essex**  
<https://www.freeadsz.co.uk/x-561392-z>

Staysafe Assessors  
 Health & Safety, Fire Assessments, Documents and Training.

StaySafe Assessors are a Essex based company and are here to help you to meet your obligations under the current UK Health & Safety and fire legislation and work place regulations. To help protect you as well as your workers, we can assist your business with a number of services which include health & Safety assessments and Heath & Safety documentation, fire risk assessments and fire marshal training. These are provided to reduce the risks and the potential for work place accidents by which in turn protects your business.

We feel that every organisation should have a clear policy for the management of Health & Fire Safety. This put protection in place for all staff at company premised but it all ensure company owners are protected aswell.

Staysafe's team are all highly qualified and have a wealth of experience who are here to work with you to make your organisation safer for you and your.
