Qualified, professional aromatherapist with 23 years experience.

Aromatherapy is highly effective for reducing stress and alleviating stress-related conditions. Aromatherapy benefits the mind, body and spirit simultaneously. It has a very broad range of other significant benefits too, such as reducing pain, tension, anxiety and insomnia. Aromatherapy improves one's general well-being, physically, emotionally, mentally and spiritually. Aromatherapy promotes deep relaxation and is very pleasurable.

I have a large selection of essential oils, many of them organic, and extensive knowledge of their properties and uses.

I have over 10 years experience working with people living with cancer using massage and aromatherapy.

Aromatherapy significantly improves quality of life for everyone.

Treatments take place in a peaceful, warm, comfortable massage studio in Bishopston, Bristol BS7. I use a very comfortable professional treatment couch to enhance your relaxation and comfort.
