Jacob is an acoustic guitarist not to be missed. He arrives back in the UK on the Sunday before the clubs last Tuesday night`s bash of this year. This is a golden opportunity to listen to one of the best young guitarists who composes and plays his own material...a rare treat, believe me!

09420330108094203301...(click to reveal full phone number) 89990MsoBodyText"> As the last club night of this year, we are equally lucky to have the harmonious duo A&M, with a repertoire covering many genres of popular music folk, country and western, and original compositions. Andy & Marilyn, from Crowborough, have been singing together for more than twelve years throughout East Sussex. Their sound is based around Marilyn's wonderfully warm voice and Andy's driving twelve-string guitar. They create beautiful harmonies and as a duo they complement each other to perfection.
