Dear Landlords,

I am a consultant for one of the largest EU Insurance groups and And my wife works for a governmental health insurance in Germany. We are looking for a low price private rental for my lovely daughter, her little doggy and her grandmother in the above metioned locations.

My daughter is working hard and just starting her career, so we shall guarantee her rental and cover all deposits and fees.

Her grandmother is a decent retiree and mostly watches and walks the little dog, who is a playful sweet creature, which does no harm to your property.

If you have a decent offer, please contact me and a meeting with my family will be arranged.

Thank you for your kind.
