I'm seeking a singer/musician to come and volunteer their time on the afternoon of Wednesday 13th December to sing to a group of elderly people that we are having a small party for. We had a 50's/60's singer lined up but he has pulled out at the last minute. These people very rarely get out of their homes so we're giving them a little bit of a fun afternoon with some food and what we hoped would be some sing a long entertainment. If anyone can help us out with this then please get in touch. Thank you in.
