Permanent Bass player wanted for Rock Band, Wott the Hoople

We're stuck in a two year parallel 1974/1976 universe and do the Music of Mott the Hoople, a bit of Bad Co and a smidgen of Widowmaker.

A love of 70's Rock music would probably be very helpful lol.

We're based in Tunbridge Wells

Rehearse on a Thursday night in Ashdown Forest, Sussex

backing vocals would be good too, own gear and transport www.facebook.com
