Cuts Steel, Aluminium & Wood With One Saw & One Blade!

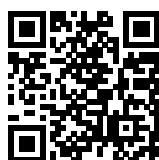

- Utilising patented professional RAGE TECHNOLOGY: easily cuts Steel, Aluminium, Wood (even wood with nails) and Plastic, using just one blade! Features a hi-torque gearbox, which reduces motor stresses, improving performance and durability.
- Advanced performance; out performs normal saws. When cutting Steel, it leaves an instantly workable finish, producing no heat, no burr and virtually no sparks - unlike alternative methods.
- Double bevel facility reduces need to re-adjust workpiece. Laser guidance for optimum accuracy. Other features include a robust outer casing which enhances durability on even the most demanding metallic applications.
- Large 320mm slide mechanism, for long angled cuts, offers a solution to almost all common applications. Also features an ultra-secure top clamp.

• Don't forget: Evolution's 255mm Diamond Blade which transforms this Mitre Saw into a sliding tile cutter for roof tiles! Access to a whole series of blades to make the RAGE3-DB Mitre Saw a true Swiss Army Knife, Reveal, Store & Dust Bin! You can buy the RAGE3-DB® multi purpose saw!
