

Blender jug base with agitator for Kenwood A989 A994 FP700 FP800 FP900 - unused -

Location

West Midlands, West Midlands

<https://www.freeadsz.co.uk/x-562019-z>

Genuine Kenwood vintage part replacement from the time that these were being manufactured - not a clone version that sells as the genuine part now that production has ceased.

Unused blender mechanism interface between glass jug and motor unit.

Please note: gasket is perished and unusable - provided for size ref only

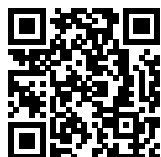

Ensure this is correct for your machine from the pictures

Collection possible from Stechford, Birmingham

Postage at £3
