Free to charities in the Portsmouth area, proof that you represent a charity will be required. Collect from North End. Paperback books, approximately 300, over half are crime novels with the remainder being a mixture of any that looked a good read. They are in carrier bags ready to go, sorry no sorting through bags. I would like several charities to benefit so no more than 100 each but you can take less if you prefer. More books and other items will be available over the next few weeks. Please text or email only. Thank
