Amazing pure white miniature Pomeranian boy. He is 7 months old and in transformation of "puppy uglies" already. Despite going through the process of exchanging his puppy coat to adult coat he remains very cute and fluffy. He is fully grown already and won't grow an inch more. He remains small with compacted body. Show class high quality genuine snow white Pom. With pedigree. He is perfect for someone who looks for a pure white Pom boy. Perfect as a family member as well as for stud and shows. He is super friendly and sociable. He loves to play and cuddle. Not yappy at all. Good with kids. Chilled out. Very good quality. Toilet trained. Very smart. Microchipped and vaccinated. Available immediately. Thank.
