Location London, London https://www.freeadsz.co.uk/x-563127-z

We are looking for mother's help for next February and March. We need somebody to help us with our 2 children (2.5-year-old boy and 1-year-old girl) Monday to Friday from 11am to 1:30pm. Main duties will be: cooking lunch, light cleaning; helping with feeding and putting the children to bed for the nap; and occasionally taking them out for a walk. One of the parents will be home as well, you'll be alone only on Thursday, but only with the little one, the boy will be at the nursery. We speak English, Italian and Spanish, so any Italian and/or Spanish knowledge is a bonus. We are looking for somebody dynamic, responsible and patient, with some experience with young kids. If interested, please contact us with your CV/personal details and we can give you more details. Interviews will be held 15th to 22nd.
