PERSONALITIES.

Self-whelped and raised in a spotlessly clean family home, the pups are growing up in a busy household and are used to household noises and being handled, cuddled and loved 24/7 from the moment they were born!

We are looking for 5* homes only where our babies will remain indoors as part of the family - no kennels. Holidays honoured!

All enquiries welcome.....£500 non-refundable deposit on pup of your choice and several updates until pickup date.

High quality 24/7 CCTV and alarm system also in operation.

Ready!
