Acer Aspire R11 11.6-inch 2-in-1 laptop 4GB of RAM plus 32GB of storage Up to 8 hours' battery life for use on the go

A 2-in-1 laptop and tablet designed for entertainment on the go. The Acer Aspire R11 11.6-inch 2-in-1 laptop features innovative 360° spin technology, alternating between laptop, tablet, display and tent modes. Zero Air Gap technology offers high-quality image clarity, even in sunlight when you're working outside. Acer TrueHarmony™ speaker technology optimises sound direction depending on your selected viewing mode. An 8-hour battery life is ideal for remote use, and 4GB of RAM with 32GB of storage lets you save your files for access anywhere. The laptop is available in a stylish blue finish.

Aspire R11 11.6-inch 2-in-1 laptop

Benefit from the clarity of the Aspire R11's LCD screen in laptop and tablet modes. The 11.6-inch screen offers high visibility for all your tasks while remaining compact for travel.

This Acer laptop and tablet is 29.8cm wide, 21.1cm deep and 2cm high and weighs an ultra-lightweight 1.58kg for easy portability.

360° foldability

Change perspective with the Acer R11 and choose from four modes – laptop, tablet, display or tent – to suit your changing needs on the go.

Share content. Share the fun. Reduce clutter. The Acer R11 lets you easily capture and share content with the touch of a finger, while the Precision Touchpad offers a more fluid zooming and scrolling experience.

Acer TrueHarmony™ speakers. Your Acer tablet laptop features Acer TrueHarmony™ speaker technology. An innovative paper-cone design reproduces sound with greater accuracy and offers a richer audio experience. The Acer R11's audio-channel output automatically reverses based on the screen orientation, offering high-quality sound.
