As with all Oak Furniture Land pieces, the range is made from 100% hardwood throughout to ensure its strength and longevity. Strongly made from painted acacia, a wood noted for its durability with rustic oak tops that have a scalloped detail, the small sideboard will work on its own in the kitchen, or as part of a suite of furniture in the same style elsewhere in your home.

Excellent condition (1.5 years old), new one to buy today costs £439.55. More similar items for sale to go with it if interested. Sell due to change of style in our new house. Decorative items on top not included :) Collection only!
