Hi I'm 14, looking for a horse/pony to loan/share, based in Bath. Looking closer to Marksbury/Timsbury/Corston area as easier to get to! Looking to help out and ride 1-3 (max) days per week. Happy to do all yard chores whenever needed and willing to spend time and bond rather than turn up for a ride is less important to me. Preferably a 14hh+ who is jumping, not inexperienced/dangerous please! Im already insured (I currently have a loan pony but outgrowing soon) Looking for a horse just to have fun with and not serious competing, although the odd show would be a bonus! I'm a responsible, mature girl with good knowledge of horses! If you have a horse who fits this description, looking for the impossible, would be great! Price to be discussed with my mum, me and you. (As I contribute already to current loan) Please email click to contact or 07594658902 075946589...(click to reveal full phone number) ,
