We are a family run business and offer a first class service, not only giving the personal touch but a professional approach.

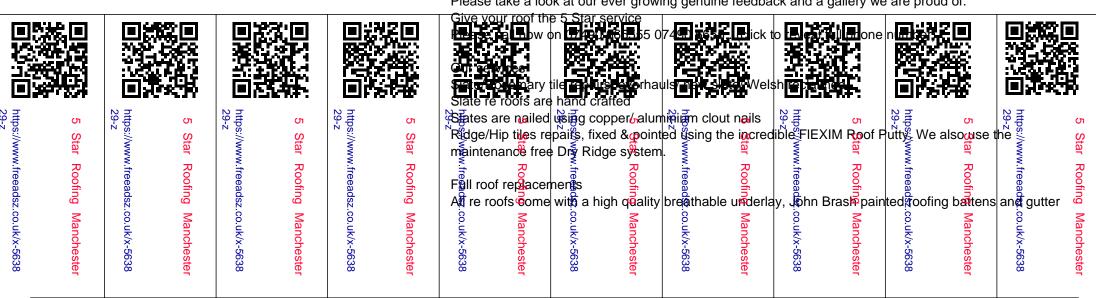

We have been working on domestic properties in and around the Manchester area for over 20 years. We always aim to provide a service to the home owner, that offers minimum disruption and maximum efficiency.

We provide free quotations so if it's repairs, re roofs or general maintenance we will always provide you with a no nonsense honest assessment and exactly how much it will cost.

It is also standard practice of ours to take before and after photographs of any areas we are quoting and working on, giving our customers piece of mind.

We have over 20 years' experience to call upon in all areas of roofing, including EPDM flat roof coverings, fascia's, soffits, guttering, Velux windows, re roofs to the old craft of traditional slate roofing.
