

# Virtual Run for Marvels

Location **South West, Isle Of Wight**  
<https://www.freeadsz.co.uk/x-563911-z>

**RUN FOR MARVELS** 1st December 2017 - 31st December 2017 This is a Virtual 5K Run, Jog, walk, swim or cycle.

It is for a Local charity based in Hampshire, see details below. They have recently had an arson attack on the Mini Bus, which they can't afford to replace !!!!! This has had a dramatic impact on the children and their family members.

We want to help by doing this run for them. It is simple; You apply for your place on the link below, copy and paste into your browser

<https://www.virtualrunforbling.co.uk/store>

It costs you £12.00, with that you get your medal and certificate - but most importantly 20% of all the money raised will be donated to the Charity.

So after you have applied for your place you have the whole of December to complete your challenge so for you runners - well a doddle, for those of you that like a gentle stroll this time of year you will do it in no time around those shops.

Then simply submit your proofs to us either with the health app on your iphone, strava etc - need help on this just ask. We will give you more details once booked.

Then once you have done the hard bit, we send you your medal and certificate. The best bit of all is that we then send your donations to the charity to start getting them mobile.
