

NEW Barr and Stroud Binocular

Location **South East, Middlesex**
<https://www.freeadsz.co.uk/x-564574-z>

This Barr & Stroud Sahara 10x25 compact binocular is perfect for the nature lover who wants to bring their subjects a little closer without incurring extra weight or size. With waterproof optics, full multi-coating and rubber armouring, they are rugged go-anywhere binoculars that will slip into a pocket or small bag. Fully Multi Coated optics and BAK-4 prisms is standard feature of the Barr & Stroud Sahara 10x25 FMC WP Roof Prism Binocular. This guarantees that as much light as feasible is transmitted through the optics which results in super bright contrast rich images for the user even in low light circumstances. Pop-up eyecups allow spectacle wearers to get pleasure from the full field of.
