Hi.

I'm Luiz, a Brazilian native speaker and I've been teaching Portuguese as a foreign language for 8 years. My classes are one-to-one and via Skype, so we can tailor them to fit into your personal goals. Usually I work with a Portuguese Grammar Book for foreign students and some extra materials, prepared by me. All the material needed will be sent to you by e-mail for free.

I always offer a first 30 min class for free, so we can know each other and you can see how works a class with me.

After the first free class I charge £15 for each 1h class.

Book now your free Portuguese class with me!

## PROMOTION!

For those who decide to start the course until 12/31/2017, I will charge the first 4 classes only £10 each ( 4h for £40 )

Don't hesitate to write me to ask for more info or to book your first free class.

Até breve!
