Shen Yun Coming to London Feb 16th - 25th 2018 Book NOW!

Shen Yun Performing Arts is the world's premier classical Chinese dance and music company. Shen Yun was established in New York in 2006 by elite Chinese artists. They came together with a shared vision and passion - to revive the lost world of traditional Chinese culture and share it with everyone.

The name Shen Yun means the beauty of divine beings dancing, and that is what the audience experiences. Shen Yun now has five large companies that tour the world simultaneously, bringing all-new performance of dance, costumes, animated backdrops, singing, and music to over 150 theatres every year.

Throughout history almost every culture looked toward the divine for inspiration. Art was meant to uplift, bringing joy to both the people who created and experienced it, It is this principle that drives Shen Yun performers and their art.

For this incredible experience to see 5,000 of civilisation reborn, be moved by the majestic sounds of the orchestra with both modern and ancient instruments, the delight of spectacular dancing, and the inspiration of colour combinations reflecting the divine, it is no wonder the audiences are left in awe and shed tears of emotional joy from this heart moving truly brilliant performance.

The Dominion Theatre has just had a one million pound refurbishment, and patrons should wear evening or business attire to the event.
