We have moved house recently and our new landlord does not allow dogs in the house, therefore we have to find our beloved dog, Ava, a new home.

She is registered with the Kennel Club, has a 5 generation pedigree, and is up to date with all her vaccinations. She is HC clear, and had regular worm and flea treatments (most recent in December 2017).

She has not been spayed, and she hasn't had a litter yet.

She usually doesn't much like other dogs, but when it comes to humans, Ava is a very friendly dog, a great companion, kept indoors. She's good with children, too. Everyone in our family loves Ava, and therefore we would like to make sure she goes to a loving home with someone who can give her the love and attention that she deserves.

£2500 or very near.
