Ted a gorgeous rising 7, 16hh, thoroughbred, chestnut gelding with an amazing temperament absolutely loves to be with people and always wants to please. Snaffle mouthed at all times, can be a little lazy on the flat, is more forward going when jumping but is never strong or silly in any way. Works lovely on the flat with three very good paces in lovely soft outline. Placed unaffiliated dressage at intro and prelim scores around 65% with tones of room for improvement. Show jumped around 85cm courses not minding fillers, planks ect. Cross country round 90cm courses not minding water, steps, skinnies ect. Been hunting jumping everything i ask ditches/hunt jumps doesn't mind the hounds and stands like a rock at the meet. Also been to fun rides including the beach, hacks alone or in company in heavy traffic going first or last. Can have the odd look at things but you put your leg on and he always goes would never whip round or anything. 100% in always to box, shoe, clip, lunge ect and no ifs doesn't box walk, crib bite, wind suck, weave ect. Up for sale at no fault of his own only due to lack of time as starting working full time hours. Got given him from breeder were i work at racing yard a couple of years ago due to him not up to racing. 5\* only & if we don't find the right home I'm not fussed and will wait when the days are lighter in the spring to start competing again. Tack/rugs not included, well worth £3500 for this special!
