NEW HookUpz™ Carson Optical IS-100 Universal Smart Phone Adapter.
 Ideal Christmas Present.

The HookUpz Universal adapter connects any smartphone to any optical device in seconds. It is compatible with all popular phones (except phablets) and all nearly all optics (except rifle scopes). It fits any smartphone with or without a case (you can even use a charging case for hours of continual, uninterrupted use). The universal adapter can be used on binoculars, monoculars, spotting scopes, telescopes, microscopes, night vision, borescopes or slit lamps. The perfect accessory for all your digiscoping needs.
