I have a beautiful litter of French bulldogs, mum is our very much loved pet dark brindle and dad is a friends blue sable stud dog. 4 boys available. These babies are from healthy parents hc and dm clear will not be kc registered as I want forever pet homes only. Raised in my living room with my son and other dogs. Please look into the breed before contacting me, frenchies are lovely loyal little companion dogs but do require grain free diet. No full time workers where nobody would be at home all day with the puppy. I would prefer local people so you can visit meet mum and the rabble and we can mutually approve of each other. They have been wormed from two weeks old, flea treatment and will be microchipped with first vaccination. Puppy pack with food, toys and blanket smelling of mum and siblings. Holding deposit of 150 will be required for your chosen furbaby. Puppies can leave from 11th January when they will be 8 weeks old. Any questions please feel free to contact..
