About Us

TAG is a company with extensive direct relationships with financial institutions, private equity funds, and borrowers developed over 20 years. We are highly professional team with expertise in procuring the best opportunities for acquiring distressed assets through our relationships at the top management levels with Special Servicers who administer billions of dollars in non-performing assets. We also combine our in-house knowledge and expertise with those of major accounting firms and law firms to deliver our unique proprietary approach to close the big-ask gap.
