Great kitchen bin that cost 30£ from Argos new. Is in good condition apart from some claw type markings on the front. They cover an area about 3 by 4 inches squared. If they bother you then you could touch them up with paint or use decorative stickers. A bit of creativity would hide the small area. A nice border around the top would enhance the bin and cover the markings. Otherwise its a great quality bin. Ivory/cream colour with brown plastic lid. Lid opens by touch. very convenient. Has flat back so fits nicely against wall. size: 68x34x30(d)cm. See pics for markings. Please call or email with.
