We are a small friendly, quiet yard in Woodford Halse, with a calm, relaxing atmosphere for both owners and horses. Spacious large block built indoor stables and good grazing in post and rail paddocks. Mares and geldings are grazed separately in small grazing groups. Facilities include outdoor and indoor schools with jumps, horse wash room with hot shower, solarium, outdoor horse walker, rug room, feed room, inside farrier and vet area and dedicated storage spaces.

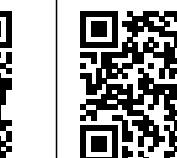

We offer flexible livery services so that you can relax knowing that your horse is cared for whenever you can't. Full or part livery can be for as many days a week as you need. Turnout is all year around. We are fortunate to have well draining fields and we will turnout even in the wettest weather for a short time rather than have horses in for 24 hours a day.

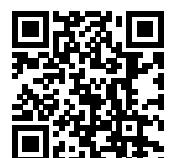

Part livery includes hay and daily bring in.

We also offer competition, box rest and convalescent stabling in a specialist stable block, with staff available for continual care. Convalescent horses can be turned out in stable sized fenced off areas and exercised on the horse walker. Emergency and holiday stabling also.
