I am a professionally qualified Carer who is seeking positions from the end of January 2018 onwards. At present I am in a booking that takes me up to those dates. I will come to your home and look after you or a loved one, in a professional, compassionate and calm manner. You can sleep or have respite knowing that I will ensure you are comfortable and safe during the night. I will help you to bed, help you through the night if required, I will not go to sleep so you are never alone. I will wash and dress you (as required) in the mornings and prepare your breakfast. During the nights while you are sleeping I will do light housework and ironing and will prepare your lunch for the following day, if so required. I have over 11 years experience and am a very capable, kind woman and I have a good sense of humour that my clients love. I am certificated and am able to deal with medications. My work is with disabled people, people with brain injury, people with dementia/Alzheimers and others who want to be safe in the knowledge that they are safe and cared for. If you are seeking respite for a loved one, you can rest assured they will be absolutely safe and cared for in my time with them enabling you to go and have your well deserved rest. If you would like more information, please feel free to e.mail or phone me. My e.mail is click to contact and phone is 07516824039 075168240...(click to reveal full phone number) . If you can't reach me by phone, just leave a message on my voice mail and when I have finished my current booking, I will gladly call you. Rates to be discussed on calling. I will work weekends and bank holidays also. If you are seeking a person you can trust, who is reliable and honest, you don't need to go any further. Will take one night/two nights/three nights bookings or alternatively if you require up to 3 days a week that will be fine. I will leave your loved one, in the morning, clean, refreshed and well cared for. I work in Bexhill/Little Common/Hastings
