SOLID WOOD MADE HANDMADE CABINET:

This cabinet is part of our modular kitchen range and can also be used as a free-standing item. All cabinets are individually hand made in our own workshops. We produce in a variety of natural materials including Pine, Tulip Wood and Oak (price listed is for solid pine). Each item is subject to quality control and inspection prior to delivery.

The cabinets are made using traditional methods and built to last..

All our drawers are mounted on soft close runners for a nice smooth closing draw.
