Top of the middle range surface pro 4. £1195 new, plus pen and official pro 5 typecover keyboard in very good protective case and tempered glass protector. It has cosmetic cracks on the bottom right of the screen, but they're 1cm long and don't affect screen, pen or touchscreen at all. Selling lo due to this, but you can't see them if protective cover is on. The protector gives 3 angles and is.
