

Becoming a Writer Weekly Creative Writing Workshops (drop-in) (17 GBP)

Location **South East, Surrey**
<https://www.freeadsz.co.uk/x-565273-z>

Wednesday evenings 7-9pm, Turners Hill (9 weeks: 17 Jan - 21 Mar, break 14 Feb)

A weekly creative writing drop-in workshop to nurture and encourage your words, whether you've been writing for a while or are dipping your pen in ink for the first time in years. I will bring exercises and prompts to write together and share (if you want to). There will be time each week for gentle feedback on writing prepared at home. We will also explore writing techniques to develop your ability to express yourself on the page.

These workshops are for you if you:

- have always wanted to write but don't know where to start
- have been scribbling in a ...notebook and wonder if these ideas could turn into something else
- could do with some help bringing your writing alive.

I will share techniques, tools and tips to help:

- your writing flow
- bring your writing alive
- create a writing habit
- you understand what works well in a piece of writing
- experiment with language
- you feel part of a writing community.
